

Academy Award

Let's forget that shit: strip it right back:

How 'bout: *THE Academy Award for Slap-Stick Comedy?*

Yeah ... where are you going with this?

Happening at - that - exact moment in money-time - when: *THE Media* - pivots - from:
talking about THE C-word - incessantly - total cover-up crap, but non-stop ... right up to:

THE Slap

Starring?: (Baritone announcer voice) *Will Smith - with Chris Rock*

*A Tragic-Comedy ... that'll shock you ... into forgetting that ... :
THE C-word ever happened*

Best supporting actors?: *Every other Hollywood Cock-head
in Attendance*

Yeah - that was hilarious - could barely wipe the tears away - but-

Yo - let's do that - *THE Hollywood Slap*: as: a found poem ! We could go viral!

Yeah ... or not.

Re-enact it - right here n now!

If i've said - or later say - something provocative -
anyone - is invited to come out of the audience ...
whack me one in the chops.

(hand wave-off gesturing) No, as i said, we can't be-

But Instead of ... a Slap ... let's up the ante ... kickbox me in the fucking head. Any volunteers?

Whoa-whoa - stay in your seats! We're only brainstorming here ...
