Radio silence….

Ohrrrr … *good job.* Now you've gone n fucked this poem up with:

Oh yeah, i still wanna do that …
Man, better make it quick - this poem is nearly ended …
Sorry - i got it - this'll crack-u-up:
*Why **didn't** the chicken cross the road?*
Don't know mate - why didn't it?
It couldn't - coz it wasn't triple-vaxxed! Haha … so it woulda got tasered arrested & maced - then had its Covidiot Chicken-Head smashed into the concrete! Hahaha …
Uhmm … no mate. Need i say, it doesn't rhyme, moreover, it's *not* funny. That literally happened to *Freedom Protesters* in Victoria

She said - exhaling - passing the joint:
