Re: Teleconference (with Tedros - ducks-in-a-row exercise)

Hi Jeremy,

I can ***make myself available*** *at any time 24/7 for the call with* ***Tedros****. Just let me know. Thanks for your* ***leadership*** *on this critical and* ***sensitive*** *issue.*

Francis

RE: Teleconference

Thanks, Jeremy. We really appreciate ***what you are doing here****. Pleasure to work with you.*

Best, Tony

What Farrar was *doing here* was:

taking the lead

on behalf of the planet

Fauci is a Scio-politics Hall-of-Famer - but he’s 80 years old. Francis is no spring chicken either.

Jeremy is 60 - in his prime. Time to assume the role of top-dog. What better way to do that than *step-up in a crisis* by convening strategy with the Prox Origin authors/Lancet Statement signers - and getting Tedros onboard - for the *critical and sensitive issue* of covering up the origin of Covid.

We are altogether as you know! .. (A)lways great working with you both.

Tedros and Bernhard (Schwartländer) have apparently gone into conclave .... they need to decide today in my view. If they do ***prevaricate****, I would appreciate a call with you later tonight or tomorrow* ***to think how we might take forward****.*

Decide what? Take what forward? All redacted. It's there - but redacted.

So we have to speculate - whether we like it or not. Was Tedros hesitant to join the Prox O cover-story?

Luckily *Tedros & Bernhard* didn't prevaricate too much - not sure why there was concern - Tedros was already praising the CCP to high-heaven on Jan 29. Knowing Tedros, he's a slippery guy - may have been nervous about getting locked-in to the pangolin/wet market origin story so early in the piece.

Why would you do that?

Jeremy,

I'm available any time today except 3:15 - 5:45 pm EST (on a plane) for a call to ***Tedros****. Let me know if I can help get through his* ***thicket of protectors****.*

Francis

Yeah - got any tips, Francis, on how to get through your *thicket of protectors* - comprising mass-media/cyber industry/*the* science community/99% of politicians?
