

# Who am i?

I'm a divisive figure - though that's not my intention

Some people find me *charismatic*. Others say *odd*. Some'll say ... *smart-arse prick*

I live humbly - my trick is: *moderation in all things* - *including moderation\**

I'm possibly gay - but maybe not - i'm not homophobic, you can say that safely

I'm famous for *changing the way people think*

By: challenging foundations of faith

Occasionally, i sink into extended states of meditation

Our rulers - *loathe me* - to: *the very roots of my soul*

Why? Same ol reason for all weird overreachings: *insecurity*

In this case, *Fear of Free Speech* (FoFS)

Curiously, my goal was simply to: *Help. Shed light ... in the dark*. That's all.

Not mark myself as a target for: *Cultural Vilification by The State*

Which is: *my current predicament*. Profiled as: *a dangerous-nut* - *a threat to the public* - *The Devil incarnate*

Already quite dire ... right? ... meanwhile .... *many of the onlookers* have joined the pile on as well

Have i brought this on myself a little bit? I don't know. Not consciously. Perhaps, later, a tad.

What's the alternative, but? Live with it? Shut up? I've never been much chop at that

Whatever, next thing i know i'm a celebrity criminal in a show-trial ...

Accused of being: *an Evil Influence on Society*

By: Society's Influencers. Guided by: vested financial interests. Disguised as: *the greater good*

You could guess the rest ....i'm found: *guilty*

Sentenced to death

To keep us safe

**UPDATE:** Can still avoid this fate ... in my last days ...

Some friends have got: *a doable escape plan* ...

I respectfully thank them, but ... I choose ... : *not*

Not to be fuel in this silly game of *Fat Cat & Mouse* they've got us playing

Limited by what the *gatekeepers* allow us

It's a game we can can never win

It's bullying - by: *THE System*

Fuck em

By so deciding, publicly, i crack a portal to: *immortality* ... for: *normal people*

Make a stand for those who decline to submit to tyranny. I die for: *humanity's sake*

In a morbid way - my persecutors - unwittingly, fall into my trap ...

In fact it's all recorded - *for training & quality purposes*

I've cunningly checkmated *The State* - into: (corruptly) killing me

It's suicide by principle, if you like

In order to catch a Murderous Liar, on The Big Stage, you might find you have to:

*become the bait*

I'm trying to ... reverberate ... beyond bio-time, here ... to the realm of spirituality ...

In my mind, that shit'll go better if i'm willing to die for it

(field a guess - ask yes/no q)

Luckily, i'm blessed with a group of gifted disciples, without whom: *none of this would have been possible*

I was inspired by: Divinity

Lotta books written about me, but none *by* me

I'm commonly associated with: a *Trinity*

(field guesses)
